UPHOLSTERY OPTIONS

Spring core

JOKA has grown up with spring core, it has been at the heart of the company since its foundation and is only used in excellent quality.

The advantages at a glance:

- perfect ventilation
- exceptionally good microclimate
- high spring and support strength
- compact sitting and lying comfort
- rapid moisture removal

FlexiNet®

The secret of the patented FlexiNet® system lies in the interweaving of high-quality cold foam bars. This ensures the unique ventilation of the upholstery and guarantees an optimal microclimate.

FABRICS AND COLOURS

Large selection of fabrics and colours

Nothing characterises a piece of furniture as much as the fabric that surrounds it. Elegant in high-quality leather or cosy in soft velvet - you are sure to find what you are looking for in our extensive fabric library!
