

# Hocker »Tosca«

Mod. 870/0

## GRÖSSEN UND MASSANGABEN

Sitzfläche in cm	80/80
Außenmaße in cm	80/45/80
Sitzhöhe in cm	45

---

## UPHOLSTERY OPTIONS

### Pocket spring core

In the case of the barrel pocket spring core, the individual barrel-shaped springs are sewn into pockets made of spunbonded fabric and joined together. Due to the high number of barrel pocket springs in a base bed or mattress (500 springs/m<sup>2</sup>), a very point-elastic and excellently ventilated lying surface is created.

### Suspension made of springwood slats

Additional springwood slat base for even better lying comfort.

---

## FABRICS AND COLOURS

### Large selection of fabrics and colours

Nothing characterises a piece of furniture as much as the fabric that surrounds it. Elegant in high-quality leather or cosy in soft velvet - you are sure to find what you are looking for in our extensive fabric library!
